The first screenshot shows the 'Phrase' screen. It has a progress bar at the top with three steps: 1. Create Password, 2. Secure wallet, and 3. Confirm Secret Recovery Phrase. The current step is 3. The text says: 'This is your Secret Recovery Phrase. Write it down on a paper and keep it in a safe place. You'll be asked to re-enter this phrase (in order) on the next step.' Below the text is a grid of 12 empty rounded rectangular boxes for writing the phrase. At the bottom is a blue 'Continue' button.

The second screenshot shows the 'Confirm Secret Recovery Phrase' screen. It has the same progress bar. The text says: 'Select each word in the order it was presented to you.' Below the text is a grid of 12 numbered boxes (1-12) for selecting words. At the bottom is a grid of 12 words: spawn, either, major, few, mercy, lucky, bottom, abuse, bottom, force, ghost, nice.

The screenshot shows the MetaMask desktop app interface. The browser address bar shows the URL: <https://metamask.io/home.html#initial/secret-recovery-phrase>. The page title is 'Secret Recovery Phrase'. The text says: 'Your Secret Recovery Phrase makes it easy to back up and restore your account. WARNING: Never disclose your Secret Recovery Phrase. Anyone with this phrase can take your Ether forever.' Below the text is a large empty text box for entering the phrase. At the bottom are two buttons: 'Remind me later' and 'Next'. On the right side, there are tips: 'Store this phrase in a password manager like 1Password.', 'Write this phrase on a piece of paper and store in a secure location. If you want even more security, write it down on multiple pieces of paper and store each in 2 - 3 different locations.', 'Memorize this phrase.', and 'Download this Secret Recovery Phrase and keep it stored safely on an external encrypted hard drive or storage medium.'

Step 6: Start using MetaMask
