The screenshot shows the 'Create password' screen in the MetaMask mobile app. At the top, there is a 'Back' button and the 'METAMASK' logo. Below the logo is a progress indicator with three steps: 1. Create password (active), 2. Secure wallet, and 3. Confirm seed phrase. The main heading is 'Create password'. Below this, a message states: 'This password will unlock your MetaMask wallet only on this device.' There are two input fields: 'New Password' and 'Confirm password'. The 'New Password' field has a 'Show' button to its right. Below the 'New Password' field, the password strength is indicated as 'Weak'. The 'Confirm password' field has a green checkmark to its right. Below the 'Confirm password' field, a note says 'Must be at least 8 characters'. There is a toggle switch for 'Sign in with Touch ID?' which is currently turned on. Below the toggle, there is a checkbox that is checked, followed by the text: 'I understand that MetaMask cannot recover this password for me. [Learn more.](#)' At the bottom, there is a large blue button labeled 'Create password'.
